Shown here are students as they exhibited their spirit during the week of football homecoming. The chosen days were "Clash with the Maroons", "Fun in the Sun", "Blackwell Nerds", "Sack Black-well" and "Blue and White Dress Up." The spirit shown during this week was truly a memory in the making!

Life "After School"

Sometimes the student body wonders if there really is life "after school." Students spend time after school in a variety of activities. Some hurry home while others go to the Sonic to relax with friends. Others have responsibilities such as jobs or practice after school.

Right: T. Nation, J. Basham, and L. Camfield, can't wait to go home. Below: J. Slama, M. McCulley, M. Earnest, S. Henderson, A. Richardson, K. Fletcher, and G. McGruder are enjoying themselves at the Sonic after school.

Above: K. Seikel and E. Harrison are working at Seikel's in the afternoon.
Middle: T. Watts, Mr. Knox, M. Moss are practicing basketball after school.
Below: D. Pattison and D. Perry are waiting for their rides after practice.

Coaching Staff

D. Kretchmar, B. Copeland, D. Gaines, K. McGuire, G. Cheek.

Mr. Doug Kretchmar was the new football coach at Harrah High School this year. He brought with him plenty of enthusiasm, spirit, and new ideas. Coach Kretchmar had several ideas to increase school spirit. One of these was a "car decoration contest." The best decorated car would be allowed to stuff as many people in the car as possible, and everyone in it would get free admission to the game. Another very popular idea was the "mystery student." The tenth person to say "Beat Blackwell!" or whoever Harrah was playing that night would receive a prize. As a result of these ideas, spirit was increased and team morale was boosted.

Coach Kretchmar's philosophy was, "High school should be educational as well as enjoyable, and we tried to relate this concept in the football coaching that we did." Mr. Kretchmar and coaches tried to stress the positive aspects of the player's abilities and not the negative ones. They also treated every age level as an adult, and everyone on the team got along well with each other.

Mr. Kretchmar said, "During the beginning of the year I found it easier to call plays from the press box." The reason for this was because one could see the entire playing field. This procedure was beneficial to both offensive and defensive sides. As players began to settle in their positions, the coaches became more accustomed to the player's abilities to perform the plays they called. The coaches found it more to their benefit and the players to coach from the sidelines after the preliminaries of the season began.

Mr. Kretchmar was raised in Medford, Oklahoma where he attended Medford High School. In 1976 he graduated from the University of Oklahoma and later attended Central State University where he received his Master's Degree in education. Coach Kretchmar had previously coached at Piedmont, Morrison, St. Mary's, and Norman High Schools. He also coached at Central State University. In addition to coaching football, Mr. Kretchmar had coached basketball, wrestling, track, baseball, and softball. One of his hobbies includes snow skiing.

ORGANIZATIONS

The Pride of Harrah

The Harrah High Band competed in two contests this year. They received twos at both Oklahoma Bandmasters Association and State District Contests. To prepare for this year's marching season, drum majors Audrey Heise and Richard McAroy attended camp at Southwestern State University. Several members of the band qualified for honor bands throughout Oklahoma. A few of these bands were the All-Star Marching, Oklahoma Baptist University Honor Band, and Central Oklahoma Director's Association.

The seniors ended football season with a show that they wrote and choreographed themselves. This year has been a successful year for the Harrah High School Band.

The Harrah F.F.A. chapter has been productive and successful this year. They participated in many activities which they financed by holding fund raisers. Their many duties included the raising and care of livestock and maintenance of the greenhouse. They attended several contests, including speech contests, livestock shows, and conventions. Early this year, the F.F.A. traveled to Anderson, Missouri for a livestock show. Harrah has one of the most outstanding and active F.F.A. Chapters in the nation.

Cheerleaders Take Top Awards

The 1984-85 year was one of many accomplishments for the cheerleading squad. The cheerleaders attended a Universal Cheerleaders camp at Tulsa University. At the camp the cheerleaders did very well, bringing home several superior rankings. The squad was named camp champions for the first time in Harrah history. They also brought home a spirit stick and a Master Key to Spirit Award which was decided by a vote from all of the attending squads.

The squad's championship win qualified them to compete at the regional level. They were in the Midwestern Region, which included all of Oklahoma and Northern Texas, and they brought home a third runner-up trophy. The cheerleaders truly had a prosperous year!

Booster Club Adds Enthusiasm

The Booster Club did much to ignite school spirit this year. One of their many contributions was making spirit locker signs. They also made favors and baked things for all the players. By organizing pep rallies and all of the Homecomings, the Booster club truly helped to boost the morale of our teams.

Future Teachers of America Support Teachers

The Future Teachers of America began their year by attending the State Convention at Bethany Nazarene University. The next activity that they attended was the spring State Convention at Oklahoma State University. The FTA finished up their year by joining with the Student Council to organize the annual blood drive.

National Honor Society Promotes Community Service

Harrah's National Honor Society Chapter has been working on several community service projects this year. Their first project was to collect money for a donation to the Kevin Hopcus Scholarship Fund. They did this by having each member donate one dollar of earned money. Their next project was to sponsor a "Career Night" in order to acquaint members and their guests with different career alternatives. But the NHS was not all work and no play, they also attended a play, "Carousel," earlier in the year. All of these activities, and the induction of new members in spring, keep the NHS busy year-long.

Below Right: Student Council members dress up for pajama day.

The Student Council was one of the more active groups in the school. They sponsored two dances per semester and scheduled spirit weeks preceding each Homecoming game. They also had two service projects. During football season, Student Council raised money for the Oklahoma Medical Research Foundation (OMURF), and in the spring they joined with the FTA to run a blood drive. Of course we cannot forget their most demanding job. That was the operation and maintenance of our candy and coke machines!

Indian Club Explores Cultural Backgrounds

The Indian Club has worked hard during the year. Thirteen freshmen attended a leadership conference in Oklahoma City to build leadership qualities and abilities which would enrich their entire lives.

As a holiday project, the club gathered and prepared food baskets for needy families in the community.

They also took several field trips to explore Oklahoma's history. They visited museums and explored the outdoors, seeking to find signs of their ancestors.

The Indian Club officers are: Pres — D. King, Vice-Pres. J. Ramer, Sec. — T. Cain, Treas. — M. Foshee. **Front Row:** D. King, A. Martin, T. Cain, L. Dillingham. **Second Row:** K. Gobin, J. Library Club Sponsors Computer Drive

The Library Club was a support group for the media center. They held fund raisers during the year in order to purchase books and blank video cassettes for the library. They sponsored a "Computerrific" contest to gain a new computer for the school. The Library Club was a member of the Oklahoma Student Librarians Association (OSLA), and they attended a conference in the spring.

The Library Club also sponsored Library week in the spring.

Memories

During each school year, memories are created that will live in our hearts forever. Some made us laugh. Others made us cry. We'll always remember the activities of high school, but it's the people who made those activities so special. It's the people who changed an ordinary, dull day into a day worth remembering.

Winning at the football, basketball, and wrestling homecomings was one of the happiest memories of our school year. The festivities which occurred around each homecoming also made it a very memorable time.

The Howdy Panther Dance, Football Dance, and Spring Dance will stay in our minds for a long time. Inhibitions were taken away, and the freedom of expression took over. These dances were a way of relaxing and a way of having fun; they will always hold fond (and funny) remembrances for us.

Their first year at Harrah High was a memorable one for freshmen. From feeling like "aliens" to finally feeling a part of the "gang," being a freshman was a unique experience.

Junior and Senior trips in May provided expectations throughout the year. The freedom these trips allowed made these outings very exciting.

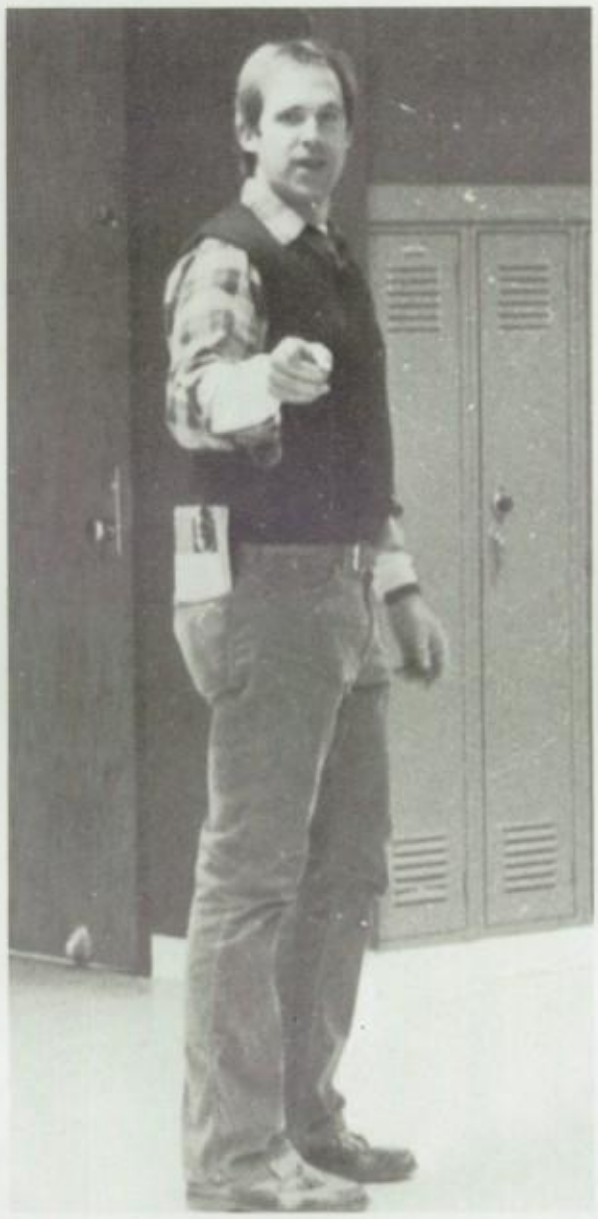
Sports played a dominant role in our school life. Whether it was the last second shot that did or didn't go in, or the football game won or lost in overtime, sports had an influence on all who participated or attended.

The time during graduation was very hectic for the graduating seniors. Buying announcements, being fitted for caps and gowns, and practicing for graduation were traditional activities for all seniors. Graduation was a memory that made one both laugh and cry.

For those who had earned the honor, Senior Week was very special. It didn't matter if all you did was sit at home and watch TV; you'll always remember what you did during Senior Week.

Also, we can never forget the "special" teacher who really cared, or the "terrible" teacher who just never understood us. The work we did during school will play a very important part in the rest of our lives. Every teacher and class has contributed something to what we've learned.

As we look back over the year, we find that we not only remember the exciting events, but also the ones that seemed meaningless at the time. For instance, we will not only remember the crowning of the queen or the prom, but we'll also remember when Mr. Reed said the morning announcements, or the "food fight" that Mr. Raglin never found out about. Memories encompass everything and last forever.



Top Left: Freshmen Jeanne Ledet and Denise Dunham talk about basketball.
Top Right: The computers are used a lot during "B" lunch. (C. Hicks, M. Valdez, M. Morrow, K. Kubiak, M. Fox, and M. Thomas)
Bottom Left: Mr. Reed wants YOU!
Center Right: Mrs. Cage helps James Moore with a class project.
Bottom Right: Carroll Rackley says, "Please!"

Top Right: Library aides show their stuff. (A. Ruschenburg, C. Owens, P. Wilson, K. Lynch. **Left:** Seniors work hard towards graduation. (R. Jordan, C. Porter, S. Rogers)
Center Left: Drivers Ed students study in the media center. (T. Palmer, R. Englebretson, S. Furchak, E. Lindell)
Bottom Right: "Wait a minute guys, I don't smell that bad," says R. Laughlin to E. Martin and L. Pickard.
Bottom Left: S. Eden says, "Don't tell T. Caldwell, but he has two extra legs."

It's Time to Say Goodbye

This is our last page of memories for our yearbook. It has been an interesting year. 1984-85 has been filled with many exciting events. Even though we can fill no more pages with pictures, memories other than the ones shown in this book will always be in our minds. Also, the seniors will be leaving us behind as they go out and create new memories.

#1. — L. Maddox attempts to wake her classmate before Mr. Powell catches him. #2. — M. Northrup, G. Boyd, T. Bloodworth, and A. Perry get a new view on life. #3. — Our exchange student, Iris Hoffman, enjoys working on the school computer. #4. — While D. Whipkey buys a Coke, J. Ramer explains the machine's many features. #5. — L. Thomas and T. Nation play leapfrog. #6 — S. Miles gives M. Moss an affectionate hug.
